1 in 80 DIY Bug Art Display Download and print your Halloween bugs and ID tags on cardstock. Carefully cut out the defect shapes and labels with scissors, then fold the defects at the joints to create a dimension. (For sharp edges, we use a bone folder, but you can also use the back of the scissors or an old pen that's out of ink!) Use glue sticks or adhesive dots to fasten the defects to the back of different shadowbox frames (all our frames are lined with white paper for consistency). Stick the id tags and hang up your creepy crawlers with the command stripes. Add extra bugs that have escaped the outside of the frames and wall using removable adhesive points. 2 of the 80 Spooky Hanging Paper Lanterns Simple paper lamps can be easily converted into clip art, paint, rivets and gauze. They look even creepier in the dark! Get the tutorial » 4 80 Branch Centerpiece Just spray paint tree branches with as many layers as you need, so they're fully covered. Then let them dry and place them in a vase. The best part? This Halloween-themed centerpiece is practically free, as the materials come from your own backyard. 5 of 80 Snake Wreath 6 80 Bleach Pen Napkins Wow your dinner guests with these hand-drawn napkins. Use a bleach pen to draw a spider web design with the first cloth napkins. Let him sit for at least two hours and watch as the design is completely white. Just rinse and dry the napkins before gluing them to the table. SHOP CLOTH NAPKINS 7 to 80 Witch's Brew Drinks Make your soda or beer bottles fit into the party tape with the Witch's Brew bottle wrap template around the middle of the bottle. If you want to go the extra mile, DIY witch hat straws: To make, cut two 3 circles out of the black paper and punch a hole in the middle of one. Slide the straw through the hole. Cut the other circle in half and turn it to create a cone around the straw, glued or glued in place. Glue or glue the cone to the paper circle to make it look like a witch's hat. RELATED: 15 Fun Quarantine Halloween Ideas for a Festive, Socially Long Distance Holiday 8 80 Puff Paint Spider Web Glasses Give Me Plastic or Glass Glasses for Halloween Makeover Drawing Web Patterns with Puff Paint. Serve neon colored, Halloween drinks like orange soda, a pop of color. 10 of the 80 Skull Lanterns 11 of 80 Personalized Doormats, to make the doormat for the Halloween update, download this skull family template. Print as many faces as there are people in the household. Use an X-Acto knife or craft knife to cut out faces, eyes, noses and mouths. Then arrange the faces as you want them to appear on the leg and add cut-out letters if necessary. Attach paper to the doormat with a folded paint band on the back. Then, starting with a little paint at a time, dab paint the stencil with a foam brush. Continue until the entire mat is covered and allow to dry completely before removing the stencil. 12/80 Paper Bat garland Download this bat stencil and then track the shape onto a piece piece Black craft paper and cut out the bat with scissors. Place the stencil back on top of each steam you create and use the bone folder to crease along dotted lines of the stencil. Fold the creases in opposite ways from each wing to the wings 3D. Fold the creases in the opposite way from each wing to the wings in 3D. Attach each bat to a long piece of string of tiny black clothespins. RELATED: Fill your house with these simple (and sweet!) Halloween Craft Ideas 13 80 Customized Candlesticks Proof that old wine bottles turn into a spectre filled with table decoration. Just spray paint the bottles in Halloween colors and stick a candlestick in each bottle. (FYI: Black candles look particularly festive). Light the candles and let the wax drip down the side of the bottle. The more messy the better! SHOP BLACK CANDLES 14 80 Spider Web Plant Hanger Ah, the simplest decoration of all! Using hot glue or craft glue, attach faux spiders throughout the macrame plant hanger. Pop a spiky plant or succulent finish to the look. SHOP PLANT SOUNDS 15 to 80 Halloween Candles Shave orange crayons with melted candle wax, mix and then sauce white candles into the mixture of coat. When they're dry, put them in a candlestick to create the atmosphere. SHOP TAPER CANDLES 16 80 Webbed Placemats Decorate the table with DIY footed made of puff paint and parchment paper. The puff pants make a web shape onto the parchment paper. Allow to dry and set overnight, so you can peel off the paper in the back. Place under a clean plate to show off your handiwork. 17 of 80 Halloween Mantel Decor Think beyond the traditional Halloween decorations in the style of the mantel is an eye-popping mix of brightly colored pumpkins, fresh blooms, and fun accessories. Paint pumpkin gold or pink, then some, squeak down the tops of a new balloon and wrap around the lower part of the pumpkin. 18 of the 80 blackened plants apply black spray paint to a faux plant with a little eeriness. Then put it in a black container with dark-colored sand. SHOP FAKE PLANTS 19 80 Halloween Bar Cart Wrap large helium balloons with tüll. Tie tape to the base and cut off the skirt if necessary. To dress up the usual liquor bottles, print retro labels on the sticker paper and attach them. 20 to 80 Spider Web wreaths To make this smart wreath, fold 2 sheets of black paper accordion-style (about 1.5 inch folds), then fold each one in half lengthwise. Cut through the top of the fold so that the unfolded end is pointed. Then cut three rectangles of paper, about half an inch apart, in each segment. After folding and cutting both sheets of paper, tie them tightly at the middle folds. Grab all the loose edges of the folded paper and glue it to the end glued next to it. At the right time, the paper will open like a web! 22/80 Eerie Place Settings dark plates with bright decoration for a table picture that scares (and delights!) guests. Be sure to place menus skeleton hands and serve festive dishes in colors such as black and green. 23/80 Scary crow wreath crow wreath a subtle - but solemn - statement with this all-black wreath. Connect it to the door with a motly or plaid ribbon for extra pizzazz. SHOP GRAPEVINE WREATHS 24 80 Broom-turned-chandelier Cast a spell on the dining room table by suspending a witch's broom from the ceiling. Carefully balance mason jars with the handle with added mood lighting. 25 of 80 Bubbling Witch's Cauldron Serve up the party punch in this a-real-as-it-gets cauldron. Stick the inside of the can in a wreath of grapes, then dress the sides with paper bells. Throw some dry ice for the smoky effect, then see how many people dare to try what's inside. SHOP Cauldrons 26 80 Candy Wreath If you prefer to focus on the sweets that your holiday brings, deck out the door with a wreath made from a selection of candies in autumn hues. Just hold some extra candy on hand to make the crafting experience sugary-sweet. 27 of the 80 Candy Corn Garland String candy corn pieces together form a sweet-as-can-be wreath that can be drated with windows, door frames, and fireplaces - if you can get through the DIY without eating the whole bag, that is. 28 of the 80 Monster Mash Doors rely on the name - not fear - with this fuzzy, friendly monster, plastic fangs and all. Go for a fae fur shade that complements the door paint, so it does not collide. Get the presentation of Woman's Day » 29 80 framed silhouettes Replace family photos with cut-out silhouettes for Halloween best, including Grim Reaper, Frankenstein, and Count Dracula. Frame them, then hang them on the wall, or use them to dress the mantel. 30 to 80 Cobweb wreath A simple DIY, wrap the wreath in the form of white bagging and weave your own web - or rely on these plastic spiders to finish the job (if only). SHOP Plastic Spiders 1 74 Wine Bottle Candlesticks An eerie flicker is essential for any Halloween gathering. Paint wine bottles with matte-black spray paint. After it has dried, insert an orange taper candle into each slot. SHOP ORANGE CANDLES 2 74 Bushels-of-Fun Halloween Party Sound round wooden chopping boards, which have been transformed into pumpkins using orange wood stains, paper leaves, and tube cleaner sprints for a family-friendly affair. The candies cane wreath-cut paper plates, which reaprinted striped with orange and yellow craft paint. You can show off a seasonal layout in a vintage metal container and add height to the buffet with mini hay bales and wooden crates. 3 of the 74 Bubbling Jars Can easily add spooky fog to simply add dry ice (available in grocery stores) and some water to a cast iron Dutch oven. SHOP Dutch Oven 4 74 Horror Novel Door Long before scary Halloween movies were made, people were getting chills from scary novels. So why not include these spooky classics right on your Halloween decorations? Make a book door: Cut long, thin rectangular pieces of different colors of kraft paper (we used red, and black). Draw books on the Outline letters with gold paint pens. Complete the sketch with a paint pen or gold acrylic paint. Attach it to the door with a double-sided tape. Add large vedka basket and buffalo-check doormat. 5 of 74 Creepy Spiderweb Wall Add Layers of Creepiness is a Halloween buffet of sticky looking cobwebs and creepy black painted branches. Simply stretch fake web material across the buffet wall, wrapping around it, and bar branches that have been spray painted black. SHOP SPIDER WEB 6 74 Silhouettes Party Buffet Spooky silhouettes cut black craft paper to add creepy characters to this Halloween buffet spread. Crows adorn an oversize mirror, owls stand guard over food, and hands try and break out a layer of cake that is topped with crumbled cookie dirt and crawls of creepy plastic spiders. Shop Black Craft Paper 7 74 Spiderweb Cake Adding a simple decoration to a store-bought cakes makes guests think they put in a lot of effort. Simply pass white frosting into a tube bag bearing a small tip and tube onto cake with a random pattern so that it resembles cobwebs. Top with plastic spiders. SHOP PLASTIC SPIDERS 8 74 Ghostly tattered curtains dotted with Swiss fabric turn creepy when transformed into a torn and ragged curtain. Serve with ominous lychee eyeball punch in a vintage battery bottle and scatter silhouettes of rats made of black craft paper, around the display. 9/74 Vintage Harvest-Inspired Door The décor doesn't have to be super scary. Beautiful vintage pumpkins and harvest prints continue to summon feelings for Halloween.Make the Harvest Door: Download fall-themed vintage seed packages and print the 8 1/2- to 11-inch cream colored paper. Patch the door with double-sided tape. Add vintage crate planter and pumpkin doormat. 10 of the 74 Paper Silhouette Decor Live! put a plain white fireplace layer of cooling Halloween themed silhouettes made of black and red craft paper. The house's chief sister wears an oversized paper witch hat, while extended family members wear pickaxes and show off bloody vampire teeth. Bats fly around the site and land on a wreath made of black cord. Red flames on the lap of the fireplace, while the coiled snake andvass stand guard. Create a pumpkin cluster by cutting out silhouettes for family members. Attach them to a pumpkin Mod Podge and trim with black braids or sewing equipment. 11 of the 74 Giant Balloon Spiders What is the opposite of sidewalk appeal? That's what you get when you have an oversize spider at the front door. Make the Spider: Take the Body: Inflate a large black balloon to the body and a smaller black balloon to the head. Tie the two balloon knots together to create the spider. Prepare the legs: Wrap eight long unopened wire hooks or 12-size artisan wire with black fae hair, holding it in place with hot glue. Twist ends of four lengths together, leading to bundles of legs. Repeat for the remaining four lengths. Combine the spider: a black tube cleaner wrapped around the ends of foot Wrap pipe cleaning around the neck of the spider, where balloons are tied. Wrap fishing line around your feet to hang. SHOP FAUX FUR 12 74 Effortlessly Creepy Living Room These decorative tricks are so simple, it's scary. Let's take a page out of Miss Havisham's book and use sheets of chairs to make your room fall into ruin. Then string a cheesecloth cobweb across the mirror and secure curly willow branches with candlesticks in museum wax. SHOP MUSEUM WAX 13 to 74 Set the (Crime) Scene Time to a Tick! Take a cue from the first Nancy Drew mystery, the secret of the old clock, and board the walls of new vintage, and DIY'd watches and keys. (Psst: Can you spot it made of paper?) Another themed touch, decoupage pumpkin photocopied pages from the series. 14 at 74 Paper Candy Corn Door Don't you know what you're doing on the door? Get inspired by your favorite Halloween treats like candy corn. Make Candy Corn Door: Create a candy corn inspired duvet. Paint wide strips using acrylic paint (used in oranges, mustard, blueberries, and gray) on thick artist paper. After dry, cut into equal-sized triangles. Cut a 2-inch paper border with the correct color. Attach it to the door with a double-sided tape. Add whitewashed woven planters and lobster rope doormats. 15 of the 74 Cameo Cookie Display Give Treats is awesome treatment. Display Cameo cookies in a wooden box full of store-bought Spanish moss. Nail a label made of torn paper and seal it to the box with a ghostly crow silhouette. Stamp glass bags are a spider, so guests can make cookies to enjoy later. To make cookies, use a Cameo silhouette-shaped cookie cutter to cut the Cameo sketch into slices and bake sugar cookie dough; bake as instructed. Once cooled, apply the white royal icing to the portrait and autumn shades like yellow, orange, and magenta. Wrap the 14-inch foam wreath in the form of a white ribbon. Attach candy with hot glue, layering and overlapping as you go. Finish with a yellow razor bow. SHOP FOAM Wreaths 18 74 Broom Door Deport Welcome fellow witches with this coven inspired broom door idea. It's very simple to pull it off if you're looking for a last-minute Halloween design. Make the door: Drill a small hole in the handle of two large outdoor brooms. Hit five little nails through the front door. Hang two brooms, right side up, through holes. Hang on to the third large broom and two small witch's brooms threaded the bristle over the remaining three nails. Add black plastic Greek urn planters and spirit board doormats. SHOP Brooms 19 74 Candy Wrapper Pumpkins Show off your favorite candy by displaying it in pumpkins. You can also go for a rustic look and choose vintage candy wrappers. Make pumpkins: Print candy labels from Pinterest; cut into strips of 1. Attach the pumpkin using Mod Podge, working to line up the design as best as possible. SHOP MOD PODGE 20 to 74 Witch Wreath This wreath will surely scare Dorothy away! We love the way this witch looks, but it can be replaced with a spooky symbol of your choice. Make a wreath: Cut 150 6-inch-long stripes 2-inch wide with black grosgrain tape. Fold the stripes in half and attach them to a 16-inch foam wreath in the form of straight pins, layering them on top of each other to create a ruffled effect. Cut a witch's silhouette out of black kraft paper. Connect in the middle of a 16-inch round, round, clean piece of acrylic (amazon.com) with double-sided tape. Hot-glue the edges of the acrylic round the back in the form of a wreath. Finish with a bow with a long tail. SHOP BLACK RIBBON 21 on the 74 Halloween Candy Scale Measure your Halloween candy trick with this creative scale. Although it doesn't actually work, it's another unique way to display the candy. Make the scale: cut a large hole in the back of a medium pumpkin; the pulp and seeds. Remove all meat to make it bright enough to hang. Print scale template on the pumpkin, scaled up or down as needed. I like where they indicated it. Paint over the design black oil pen. Connect the peel-and-stick numbers. Drill holes in the large ice shoa on both sides. Connect two chains of equal length with small S-hooks. hooks. the third length to be treated; pumpkin bottom. Drill a small hole in the top of the pumpkin. Cut a 1 dowel width inside the top of pumpkin. Tie rope around the dowels, place dowels in the pumpkin, and feed rope through the hole; Hang. SHOP ICE SCOOP 22 74 Mask wreath Spook guests with this fun wreath made of vintage masks. It's really too easy to make! Make a wreath: Source colorful vintage paper masks from websites like Etsy and eBay-you'll need 10-15 in total. Attach an 18 inch craft ring to a dab of hot glue, layering and overlapping them as you go. SHOP ARTISAN RINGS 23 74 Halloween Candy Wreath This decoration is good enough to eat- seriously! Turn the candy into a pleasant wreath, which will delight guests. Make a Wreath: Collect an assortment of old fashioned candies in autumn shades like yellow, orange, and magenta. Wrap the 14-inch foam wreath in the form of a white ribbon. Attach candy with hot glue, layering and overlapping as you go. Finish with a yellow razor bow. SHOP FOAM Wreaths 24 74 Pumpkin Candy Dispenser We love to have decorations seasonal and functional. So put the pumpkin to good use by making a unique candy dispenser. Prepare the dispenser: Trace the bottom of a glass bowl or storage container onto the front of a medium pumpkin. Cut it out around the follow, then shovel out pulp and seeds. Place in bowl, so the hole is slightly larger if necessary. Connect a thick rope around the edge of the bowl with hot glue. Fill the bowl with candy. SHOP VINTAGE CANDY 25 with 74 Witch'sbroom chandelier Add texture and atmosphere to the dining room with this evil piece. Start with a smooth broom, then fill the mason jars with black sand and battery-powered black candles and connect them to one side of the broom with black twines. Balance it out by adding a waking faux feline on top of the other side with black wire. SHOP MASON JARS 26 of 74 Jack-O'-Lanterns is a Jiffy Turn orange fabric-paper ball with the right Halloween pumpkin, which line the porch. Simply cut facial features and stem from construction paper and apply the balls with glue dots. SHOP HONEYCOMB BALLS 27 with 74 Scary Crow wreath Enter guests with goose bumps from the moment they walk into this black ensemble. Get the look by spraying grape wreaths with flat black paint, attached cardboard crows all over, and then displaying the creepy masterpiece with a print ribbon. SHOP GRAPEVINE Wreaths 29 74 Ghouls Night Out To call out this gathering, use glue dots to stick construction-paper eyes and mouth onto white fabric-paper bells and then drathe them with cheesecloth. SHOP TISSUE BELLS 30/74 Black Wreath
